PAPERS:

- 1) SANDED PAPER**– either **SENNELIER'S La Carte Pastel**, **UARTS**, 400 grit (off white) or **Spectrum Paper**
These are for the 2-days we're in the studio so have 2 - 3 sheets. Size of your choice - 8x10, 9x12 or 12x16 pad size (or 19"x 26 & cut down); La Carte + Spectrum comes in colors – get rust or salmon.
- 2) MULTIMEDIA ART BOARD** or **PASTEL ARTIST PANELS** – Comes individually or in sets of 5 or 10 and sizes available: 8x8, 9x12 and up to 12x16; These are for the one day we're in the field, so have 2.
- 3) Marker / Drawing Paper**- 9" x 12" pad (can get at Dollar Tree or Walmart) This is used to practice varied stroking and to create a "trap" that's taped onto board to catch pastel dust

PASTELS: Soft pastels come in 3 grades - soft, medium-hard and firm. The firm block-in and build up the composition and the soft adds feathery accents and vibrant colors. It gets expensive to buy sets and many of the colors one does not use, so consider buying individual sticks. The medium-hard is not a great necessity.
